

Introduction to Computer Technology for Musicians Network Access Assignment

Name:

Degree:

Performance Medium and Studio Teacher:

Directions:

Complete all the tasks on both pages. Be sure to fill in all the requested information. For a question such as #4 in the second section below, you only have to list a couple of representative pieces, not the entire contents. Try to experiment with different search engines and search types. Turn the completed worksheet in at the end of class or bring it back completed next class.

Ithaca College Web site

Start at the home page for the School of Music.

1. In the spring of 2006, the Trombone Troupe held a composition contest. Who won, what is the name of the winning composition and at what event was it performed?
2. The School of Music offers a program in Theory (B.M.). Locate the web page for that academic program and write down the URL:
Identify one person in the picture on that page:
3. Name the vocalist for the Ithaca College Klezmerim:
Who produced their current CD?
4. Navigate to your studio teachers web page, list the address and briefly identify the type of information available from the page. If they don't have a page, use the web page of one of your other faculty members (except Dr. Nord).

Go to the library web page and complete the following tasks.

1. Locate the CD for Mozart, K. 404, and supply the following information:
Call No.: _____ Type of Composition: _____
2. Locate a recording of one composition you are currently preparing or have worked on recently (solo or ensemble).
Title: _____ Composer: _____
Call No.: _____
3. The library owns a CD of Alex Shuhan playing "Le Basque" by Marin Marais. Write down the call number, the date of the concert, and the name of one other IC faculty member on the recording.

4. Locate a recording by Steve Brown (as performer). Supply the date of performance and some of the contents.

Other Information on the Web

Where does the word Boolean come from (try www.ask.com)?

Locate the home page for the Association for Technology in Music Instruction (ATMI). Supply the URL, and write down the date and city for the 2006 ATMI/CMS joint meeting. And identify who Squeak and Blat are.

Each year, the Peter Britt Festival offers a number of summer camps for talented students. Where is this festival located (city and state) and when was the Instrumental Jazz summer camp this past summer?

If you are interested in working at the Interlochen Center for the Arts this summer (summer camp), to whom should you direct your questions and what is that persons email address?

Locate the web sites for Lentine's Music and The Synthesis Midi Workshop. Give the URL's for these sites, and indicate how much a copy of the Macintosh (or Hybrid) version of both Finale and Sibelius (educational or academic price) would cost at each one of these sites. Identify the search engine you used:

<u>URL</u>	<u>Finale</u>	<u>Sibelius</u>
1.		
2.		

Go to the Google web site (www.google.com). Using their Web directory (not the web search engine), navigate to the Music Theory section. Write down the web address and site title for the first link you find under 'web pages'.
